GARBAGE MIXED WITH YARD WASTE  
Dump trucks or Commercial vehicles

All vehicles must stop at the scale office to show proof of residency before admittance. All rules must be followed. All loads are subject to inspection prior to acceptance. Carleton Farms Landfill reserves the right to refuse entry at any time for any reason, including safety violations, weather conditions and non-compliance with landfill rules and or company policy. Resident assumes and accepts all risks associated with unloading waste. The Carleton Farms Landfill shall not be responsible for any damage that may occur to any vehicle or resident while on landfill property. Resident agrees and any person accompanying resident to hold Carleton Farms Landfill, its parent company, subsidiaries and all respective directors, employees and agents, harmless from all injuries and damages arising out of the residents use of the landfill facilities.
