## BERLIN CHARTER TOWNSHIP PROJECT BEAUTIFICATION

It's that time of year again. We are looking for nominations for well-kept homes in Berlin Charter Township for our Project Beautification 2025! Please send us your nomination via mail or email to [maryjo@berlintwp.net](mailto:maryjo@berlintwp.net) or call 734 586-2187 x 1. The property must be located in Berlin Township and you can nominate yourself. The categories are residential, rural residential, mobile home, farm and commercial.

**We are taking nominations until September 8, 2025.** Our goal is to recognize those residents and business owners who enhance the appearance of our community in a positive way and to encourage others to do likewise. The winners will receive a plaque at our September 22, 2025, Township Board meeting.
